THIS INDEX consists of three parts: Author Index, Index to Pages, and Subject Index. A Title Index is no longer included, and subscribers who wish a Table of Contents in the bound volume should arrange to have the Tables of Contents of each of the six issues of this volume included among the pages to be bound. For the use of such subscribers an additional title page suitable for binding is included.

AUTHOR INDEX TO VOLUME 70

In this Index in alphabetical order are the names of the authors of all articles and the presenters of cases in Society Transactions, followed by the page numbers on which their articles or cases begin.

For Subject Index see page 7.
